REASONS FOR ALLOWANCE

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

2. The following is an examiner's statement of reasons for allowance:

The method of mounting a wind turbine on the upper end of a vertically disposed tower including steps of: removable mounting the wind turbine support on the tower, positioning the wind turbine on the support, moving the support upwardly to the upper end of the tower, moving the wind turbine from the support to the upper end of the tower, securing the wind turbine to the tower, moving the support downwardly, and removing the support from the tower, in combination with the other limitations present, are neither disclosed nor taught by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
